FREE AMAZON GIFT CARDS

Method 1 (\$80-120 / Month)

<https://www.listia.com/> – We will be making auctions on Listia.

What are we going to be selling? Anything!!! I prefer selling XboxLive 14 Day Trials on Listia, when you sell enough and get the trusted badge, you can add a Get It Now (GIN) Option. They sell for around 2000 credits through GIN, you will have to sweat out your first few auctions as bid only, however.

Don't know how to get 14 day XBL Codes? <http://www.youtube.com/watch?v=QuoyTsO0EO4>

If you do not have an Xbox, there is also tons of things you can sell,just be creative!

Once you get enough credits, cash out your credits for an AGC.

That is it for this method, enjoy Listia, it is major fun!

Method 2 (\$10 / Month)

App Redeem/App Trailers– The iPod/iPhone and Android App,we will be trying free apps, and earning money for it!

On your iPhone/Android Device, go to the “App Store” Or “PlayMarket” and search for App Redeem and App Trailers, download both of them. Upon entering the apps, you will be prompted to make an account, do so. You can get extra bonus credits for signing up under a referral code, you can use any off the internet, I personally don't use this method, but “sdcblog” is my friend's

code. All you have to do is download free apps and you gain credits for it. 1000 credits is equal to \$1 of AGC

Method 3 (\$40-50 / Month)

Bing Rewards – The free rewards program developed by Microsoft.

Bing or Microsoft allow up to 5 accounts per household, so you can max the earnings by 5 for this one. All you have to do to gain credits or points through Bing Rewards is search through Bing, or clicking on the daily offers. You can get up to 43 credits per day through the offers, and there are also games to earn more credits.

Since Bing allows up to 5 accounts per household, you can do this 5 times and earn 5 times as much! Bing offers Amazon Gift Cards for around 250 points for a \$2.50 AGC, or around 450 points for a \$5AGC. Bing Rewards is actually fun to do, and at the same time, it is rewarding!

Method 4 (\$25-30 / Month)

Using Predicto, GuessSMS & TvTxtr – Using these you can have some good fun and make AGC at the same time!

All you have to do is answer their questions or their predictions with a guess. It is really easy and is quite fun. It

takes about 4 weeks on Predicto to make \$10AGC and 6 weeks on GuessSMS and TvTxtr to make \$10.

***DO NOT SIGN UP FOR “PREMIUM”, JUST SIGN UP FOR A FREE ACCOUNT!**

Method 5 (\$20 / Month)

<http://www.swagbucks.com> is the 5th method for free AGC. This one is by far the most fun and best way to waste

some time and earn some side AGC too!
